Hi OUTWORDS friends,

Our next online event is coming up! Join us next week on **Wednesday, May 26**, at **5pm Pacific Time (8pm Eastern)** for:

School's Out: Celebrating LGBTQ+ Educators

Event is **free** and open to the public; join us at bit.ly/schoolsoutpanel

Four LGBTQ+ teachers and administrators come together for a conversation on representation and resilience at school — an arena of incredible importance to queer youth. What might educators learn from their students? What

challenges do they face now vs. decades ago? And what "superpowers" might LGBTQ+ educators possess?

All this and more with our panel:

- Brett Bigham, special education teacher, Oregon State Teacher of the Year
- Elaine Brune, St. Louis teacher and administrator; Board President, Metro Trans Umbrella Group
- Loraine Hutchins, sex and gender educator, *Bi Any Other Name* co-editor, bisexual rights activist
- Moderated by Omar Currie, principal of Cox Academy (Oakland, CA), an Education for Change Public School
